

CONNEX PRAHA S.R.O.

Dear business partners, we have attached „Final report about testing operation of TEDOM bus“. In this report has been mentioned especially the statistical data in comparison to our bus that operates on the same line where was operated your bus as well. Thank you for loaning out us this excellent bus and enable us to cover the Prague public transport. Total evaluation of this bus is very positive, the driving properties meet all demands for a comfortable means of transport and economical operation indicators are on very good level. Many thanks to your employees as well that were helping us with bus loaning out process.

Once again many thanks for your bus loaning out and we believe that your company takes part in selection procedure of new bus purchase in 2008.

Best regards
